

Friends of Youth Foundation

The mission of our Foundation is to provide a legacy of support for the progress and mission of Friends of Youth.

Friends of Youth provides services to at-risk youth and homeless young people throughout the Puget Sound area through three core program areas:

- **Homeless Youth Services**, including street outreach, overnight shelter, case management, employment and transitional housing programs for homeless youth and young adults.
- **Youth and Family Services**, including mental health counseling, substance abuse treatment, Healthy Start, school-based prevention education and parenting programs including the Snoqualmie, Issaquah and Riverview School District areas.
- **Residential Services**, including therapeutic group care, foster care and emergency shelter to youth under 18.

A UNITED GOOD NEIGHBOR MEMBER

-A brochure from the 1960s.-
We are proud to be a United Way
agency, described in 1960 as a
"United Good Neighbor Member".

In 1951, a small group of committed people created Friends of Youth to support young people in need of a caring home. Over 61 years later, we continue to fulfill the vision of our founding members.

Today Friends of Youth provides care for over 5,100 young people each year; we support foster kids, school children, young mothers, and homeless and runaway youth. Every day we are making a difference in the lives of the young people of our community.

What a wonderful legacy we have inherited, nurtured and grown.

Won't you help us continue this legacy for future generations? Your planned gift to the Friends of Youth Foundation ensures sustained support for the programs and services provided by Friends of Youth.

If you are thinking about your legacy, learn more about our Foundation. Contact us at 425.869.6490 or send us an email at info@friendsofyouth.org.
